PALETTE PLEASERS

This season's colors are bright, bold, and beautiful

TREND WATCH
 by Deborah Chatfield

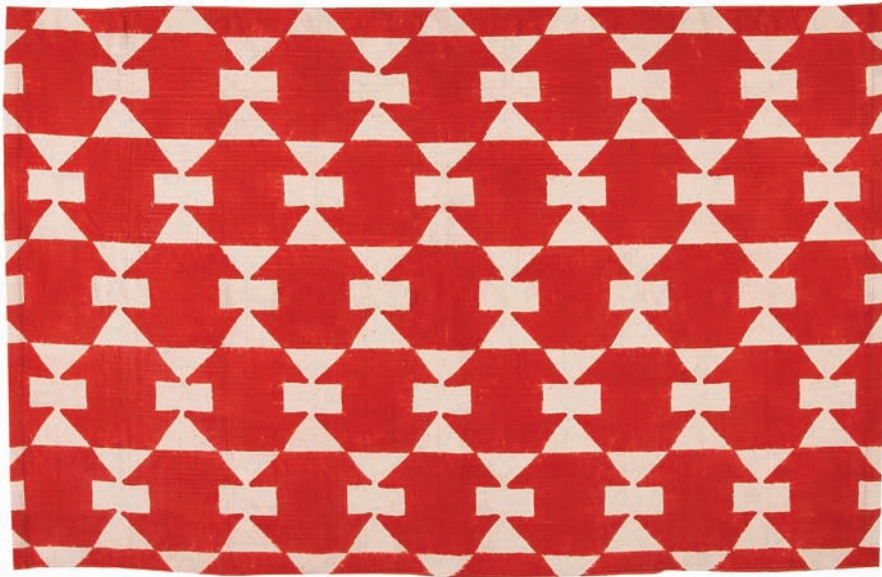

Take a classic empire silhouette, add green glass balls and a beautiful antique finish and what do you get? The exquisite Goddess Chandelier from **CURREY & COMPANY**. The piece looks like it's been hanging for decades, and is a great way to add color and sparkle to any room. CURREYANDCOMPANY.COM

Give your room a breath of fresh air with this bright new sofa from **MCKINNON AND HARRIS**. The handcrafted Pavilion VI Collection has a timeless and understated design. Available in the fabric of your choice; this particular sofa is featured in the Jura Peat Finish. Other finishes are available on request. MCKINNONHARRIS.COM

TREND WATCH

JOHN ROBshaw TEXTILES are block-printing rugs the same way they print fabric. The result? Crisp lines and saturated colors. An added bonus—they're machine washable. Available in various colors, sizes, and designs, these rugs will jazz up any floor.

Also from JOHN ROBshaw TEXTILES are these pillows that bring pops of color to any piece of furniture. Shopping the souks all over the world, John Robshaw has chosen the best of the best in textiles to bring back the power of the pillow. A quick fix to give any room energizing color or a new feel.
